In 2022, TEXSAR responded to 71 missions and our membership continues to grow. TEXSAR relies on donations to provide critical lifesaving tools, tactical equipment, fuel, water, first aid supplies, gear, and logistical training needed to fulfill our mission. Our volunteer members pay for their own training, equipment, and deployment expenses; costs that can reach thousands of dollars annually. It is through the generosity of Texans that we have been able to keep boats in the water, boots on the ground, medic packs on hand, and our amazing K9 teams searching. Like most entities we have seen the impacts of our economy are humbled by those who choose to give and support TEXSAR's mission, thank you for making a difference. How will you support TEXSAR?
