

The TEXSAR Open is a charity Golf Tournament benefiting the Central, Texas Division of **TEXSAR, Texas Search & Rescue.**

Since the founding of TEXSAR in 2004, our nonprofit organization has provided lifesaving search and rescue services throughout Texas. Our volunteer members deploy at the request of local and state law enforcement, fire service and emergency management agencies, relief agencies, and the Office of the Governor to provide the highly skilled services that are unique to TEXSAR operations. There is never a charge for our services, and we receive no government funding.

Dear TEXSAR Supporter,

TEXSAR is hosting their first-ever Charity Golf Tournament, at **Crystal Falls Golf Course** in Cedar Park, Texas, on **Saturday, October 22, 2022** and we are seeking your support!

In 2021, TEXSAR responded to 70+ missions and our membership continues to grow. TEXSAR relies on donations to provide critical lifesaving tools, tactical equipment, fuel, water, first aid supplies, gear, and logistical training needed to fulfill our mission. Our volunteer members pay for their own training, equipment, and deployment expenses; costs that can reach thousands of dollars annually. It is through the generosity of Texans that we have been able to keep boats in the water, boots on the ground, medic packs on hand, and our amazing K9 teams searching. Like most entities we have seen the impacts of COVID-19 and understand that it has not been the easiest two years. We are humbled by those who continue to give and appreciate those beyond measure. How will you support TEXSAR?

We are seeking support through donated items for the Silent Auction, Local Sponsorships (more information attached), or general ticket sales.

Thank you for supporting TEXSAR!
